ECBPA Welcome's You!

The El Capitan Band Parents Association (ECBPA) would like to welcome new and returning band parents. We are very excited for this new year and all the fun activities and experiences we will have.

Parents and legal guardians of current Music Department students are welcome to be part of the ECBPA. This is an excellent opportunity to get to know each other and also make great memories with our children. If you would like to participate, please join us, we have many jobs that you can help with. We meet monthly at a general meeting; typically on the first Thursday of the month at 6:00pm. The general meeting is open to all parents and legal guardians. You can be a voting member of the ECBPA with annual membership dues of \$10.00.

We are in need of parent volunteers to assist at football games, competitions, and other music department events. Whether you can give a little donation or big donation, whether you can give a little time, or a lot of time, everything helps. Your student, and each student, will feel the benefit of your contribution.

During competition seasons, we offer an optional meal plan available to students for \$60.00 per season, if you choose not to participate in the meal program, please provide for your child's dietary needs per event. Food for events will be purchased based on the number of meal plans.

Also during competition season we will assist with styling hair as needed to comply with uniform requirements. Please provide your own hair brush/comb.

We look forward to meeting you and working with you on behalf of all the students.

Sincerely,

Matt Voogd, Assistant Director, Drumline Coach

Dear El Capitan Marching Vaqueros parents, families, friends and community sponsors,

El Capitan Band Parent Association (ECBPA) is in need of donations to help with the cost of running a successful program. The ECBPA is a non profit organization that provides opportunities for students to have an enriching musical education. We aspire to help every student elevate their musical skills and abilities. We need your help and support! Your tax-deductible donation will help our students achieve their musical goals. Due to Grossmont Union High School District's budget constraints, the District is unable to fund the full marching band program. Therefore, we rely on fundraising and donations received from our families, friends, and local supporters.

On average, the ECBPA needs to raise \$45,000 to cover its annual budget. Your generous donation will help with the following expenses:

- Uniform maintenance, repair, and replacement.
- Competitions entrance fees and any assistance at competitions to the students.
- Musical instrument repairs and maintenance.
- Enrichment activities and events.

Thank you in advance for supporting our children. Please complete the following section and return it in an envelope along with your donation check payable to ECBPA. You may submit the donation to either our ECBPA President Mary Giyer, or bring it to an ECBPA meeting.
